# COURSE CATALOG

**Welcome to Riverlution Fire And Theology Institute, a 5 Fold Training Center for All.**

As you read this course catalog, we have placed courses in different tracks, which will help students determine how the Lord is leading them to fulfill their purpose and destiny in life.

For those interested in a Diploma in Associates, Bachelors, Masters and Doctorate, this catalog explains the course requirements.

We welcome you to make an appointment with the Academic Dean to discuss your course of action and the curriculum on which to focus, as well as discuss your life experiences for added credits.

Some courses will change from time to time and added to the curriculum because we want to be sensitive to the leading of the Holy Spirit.

Our desire is to train and equip you for the work of the ministry so the body of Christ can be built up to fulfill God's purpose and plan. This school is part of answering the "great commission".
